

The Aspire-LUKE Commitment to Our Veterans

U.S. Department of Veterans Affairs

Mission-Driven Care for Our Country

Aspire-LUKE JV, LLC is honored to have been awarded a 10-year, \$23B IDIQ contract with the Department of Veterans Affairs! This world-class team is comprised of both small and large businesses that have a strong record of performance supporting the Department of Veterans Affairs and other Federal Government partners. We are SBA-Certified SDVOSB with extensive healthcare experience and an expert ability to integrate teams in the execution of government requirements.

A-Team Interpreting, LLC is proud to be part of this veteran-driven team and serves as a SDVOSB team member and force multiplier on the Aspire-LUKE team, ready to deliver complex healthcare solutions to VA patients nationwide by providing American Sign Language (ASL) interpreting services on-site and remote.

We have assembled a team that will enable us to deliver on clinical and programmatic task orders that we anticipate will be issued by the ICSP. Each partner was chosen for their expertise and excellent performance in the areas where the VHA needs support.
